

PNAAF-SPONSORED SPEAKERS

Jasper Tolarba, DNP, RN, CCRN, CNML, NEA-BC

Dr. Tolarba is the Director of Credentialing and Evaluation of the Commission on Graduates of Foreign Nursing Schools (CGFNS) who is an expert on nursing administration and education, organization leadership, and hospital management. Recognized as Bicol University's Outstanding Alumnus, he is a dogged advocate for the advancement of nursing practice in the Philippines and abroad.

Dino Doliente III, MBA, BSN, RN

Mr. Doliente is the Divisional Director of Finance and Reimbursement Services, Genesis Healthcare, Inc and the current President of the Philippine Nurses Association of America, Inc. An energetic leader, he embodies his administration's mantra, "iPNA. Innovate. Inspire", which has thematically guided of the conference program.

Rosario P. Estrada DNP, MSN, RN-BC, CPN

Dr. Estrada is an Assistant Professor and Specialty Director of the Nursing Informatics Master's Program at Rutgers University, School of Nursing, New Jersey. Dr. Estrada and her team received funding from the Philippine Nurses Association of America Foundation to conduct maternal-child health research in the Philippines.

Maria Danet Lapiz Bluhm, PhD, RN, MSCl

Dr. Lapiz-Bluhm is an Associate Professor and the Acting Vice-Dean of Faculty Affairs and Diversity at the University of Texas Health Science Center at San Antonio, Texas. Her research is on the biological and genetic mechanisms on the effects of trauma on mental health.

Arthur D. Cantos, MAN, RN

Mr. Cantos has over 35 years of combined experience in the clinical arena and corporate setting. His thrust is to empower the global Filipino nurse in the development of interpersonal communication skills based on his graduate school dissertation and personal experience in the Philippines and the USA.

OBJECTIVES

At the end of the conference, the participants will be able to:

1. Describe national and international professional nursing issues, updates, and innovations.
2. Identify innovative leadership approaches relevant to one's own professional nursing practice.
3. Discuss advances in genomics in relation to current Philippine and global health issues.
4. Describe interpersonal communication skills to promote patient safety.
5. Summarize Philippine-based study results and recommendations to reduce maternal and infant mortality following natural disaster exposure.

DISCLAIMER

DISCLAIMER: The Philippine Nurses Association of America Foundation ("PNAAF") (i) reserves the right to modify the conference schedule without advanced notice; (ii) assumes no responsibility personal injury; and (iii) hereby notifies all attendees that their registration fees do not include personal travel insurance of any kind, which is the sole responsibility of each attendee.
